

CSM CANADA MISSION UPDATE SUMMER | 2026

Dear Ministry Partner,

We live in a wonderful country that is blessed with a variety of scenery, don't we? My area is celebrating Blossom week, and as I drive around I enjoy seeing the trees beginning to bud and flourish. As Christians, we are given each day to do the work of the Lord in the location He has placed us.

CSM's work is to provide Christian literature to ministries throughout the world in an effort to spread the gospel and assist evangelistic projects. We are also able to assist local groups that contact us with specific needs. Here at home, we aid prison and street ministries as well as First Nations, Muslim, and Spanish-speaking outreaches. Through these local and international ministries, countless Christians all over the world are being taught and encouraged from materials you support CSM Canada in sending.

We're only able to do this work with the help of volunteers who gather materials from donors, bring or send the materials to our warehouse, sort, pack, and load the books for transport, as well as many other behind-the-scenes tasks. Through the efforts of hundreds of volunteers throughout the years, we will be celebrating sending our 200th container later this year, God willing. Over 6.5 million pounds of Bibles and Christian materials have been sent out from our warehouse.

PRAYER REQUESTS:

- healing and comfort of several ailing volunteers
- softening of officials heart's in countries that over-price or exclude Christian literature imports
- no delay in travel time for upcoming containers

One of our volunteers who has made a big impact is John Binkley. For the past 13 years, John has gathered banana boxes for shipping, worked regularly in the sorting room, served as the Secretary of the board, organized our annual banquets, presented CSM at coffee hours and small groups, and much more. His contributions to the ministry have been invaluable. John has recently officially retired from CSM and he will be missed. We wish him all the best and look forward to him visiting us on occasion.

**"THIS IS THE DAY THAT THE LORD
HAS MADE, LET US REJOICE AND
BE GLAD IN IT." PS 118:24**

We say it often, but we are always looking for new volunteers to come help. We've had Christian school classes and church groups, as well as individuals, couples, and groups of friends, all come in to help. If you are interested in spending some time sorting or packing books here, we can arrange a schedule that helps you help at CSM.

Your steadfast support of CSM Canada is greatly appreciated. Kindly continue to pray for our organization and all the ministries that we are reaching with your help. The harvest is indeed plentiful, but the laborers are few. Pray therefore to the Lord of the harvest, that He may send out laborers into His harvest (Luke 10:2).
